Community and Complementary Currencies  
Thursday 17 October: Fusion Cafe, 7.30-10pm

## *Have you heard of Timebanking, LETS, and the Bristol Pound?*

These are community-based networks which can strengthen local economies, build social connections and develop individuals.

Come and find out how this is working in Sheffield, right now, near you!

At this event, we'll hear from Sheffield LETS, and St Mary's Timebuilders, consider new alternative currencies such as the Bristol Pound, and invite you to discuss their potential for Sheffield.

Fusion Cafe is in a central location on Arundel St, S1 2NS.

The event is free; donations are welcome.
